PROFILE

Aspiring Web Developer experienced in building websites with an attention to design patterns and functionality.

DEVELOPER EXPERIENCE

KENZIE ACADEMY PROJECTS

Connect 4

- Group project where I took the lead developer role in designing and building the application from scratch
- Used Javascript, HTML, CSS

Portfolio Project

- Designed and coded a front end website that showcases different projects
- Used React.js, email-js, HTML, CSS, Javascript, Bootstrap

Music Production

- Sample test website made to teach others about music production
- Used Javascript, HTML, CSS

WORK EXPERIENCE

CITY OF PEMBROKE PINES

Recreational Aide

- Organized physical files and digitized records organized for easy updating and retrieval by authorized team members
- Managed data input for customer information
- Interacted with customers professionally by phone, email or in-person to provide information and direct to desired staff members
